### **KLA Guiding Principles & Values**

**VALUE TO MEMBERS:** We provide opportunities that develop professional skills among members.

**DIVERSITY:** We value the diversity of both our membership and the communities we serve. Diversity of ideas, approaches, and perspectives adds to effectiveness, relevance, and growth.

**RESPECT:** Mutual respect contributes to a positive foundation for collaboration and achievement.

**ACCESS:** Information resources provided by libraries should be equally and equitable accessible to all library users via various and diverse means.

**INTELLECTUAL FREEDOM:** Freedom of access to information for all individuals is essential in a free society.

**COLLABORATION:** We can best serve our constituencies by working together and pooling resources to achieve mutual goals and address common challenges.

**INNOVATION:** We embrace innovative solutions and flexible approaches for the enhancement of library services.

**ORGANIZATIONAL EXCELLENCE:** Effective practices will ensure a strong organization that is responsible for meeting the needs of members.

**FELLOWSHIP:** We bring library staff and advocates together to learn from one another and to build connections that encourage one another to contribute to the profession.
